Hello Shark Families,

We're gearing up for an exciting week ahead at Bayside, as we eagerly anticipate welcoming our students tomorrow for our tour day. During the tour, students will have the chance to hear from our Grade 6 students about their experiences here at Bayside, enjoy performances by our Bayside band, and explore our school with a guided tour.

Tomorrow evening at 6pm, the Bayside administration will be hosting an online overview session. Please use the attached link to join us:

[Welcome to Bayside](#)

For students interested in joining the band next year, registration will open on May 3rd at 8am. You can access the registration form through the following link:

[Band Registration](#)

Additionally, mark your calendars for June 4th, when we'll be hosting an open house at Bayside from 5:00 - 6:00 pm. This is a fantastic opportunity for families to visit the school and get a firsthand look at what Bayside has to offer. We can't wait to meet you all that evening!

Best regards,

Bayside Administration
